CENTRAL LIBRARY

Library Handbook for E-Resources
(2025)

<https://www.library.mnit.ac.in>

MNIT CENTRAL LIBRARY

INTRODUCTION

The Central Library of MNIT Jaipur is one of the best and richest hybrid libraries in the country. To fulfil the academic needs of the users, the library keeps on updating and adding all types of resources to its collection. And E-Resources are one of the very essential and important resources for any library.

In the series of E-resources, the Central Library has subscribed to a multidisciplinary subject package comprising over 13,000 journals from reputed publishers, including ACM Digital Library, OUP, Sage Journals, Emerald, Springer, Taylor & Francis, and the Royal Society of Chemistry, among others, through ONOS and Institutional Subscription.

The Central Library has also subscribed to 12 e-databases, 02 e-tools, 01 writing tool and 02 Plagiarism tools, i.e MathSciNet, Scopus, CMIE ProWesIQ, Open Athens, Grammarly, Turnitin etc, for the users of the Institute.

Let us explore about all subscribed E-Resources by the central library in full detail in coming slides, so continue with us.

Note: All the information and factual data provided in slides are captured from the publishers/product website. The officials of central library of MNIT Jaipur are not responsible for any discrepancy found in information or data of products.

MNIT CENTRAL LIBRARY

DIRECTOR'S MESSAGE

As the Director, I am delighted to take this opportunity to highlight the invaluable wealth of electronic resources that we have diligently curated in the Central Library of the institute for your intellectual growth and exploration.

The e-resources have revolutionized how we access, utilize, and engage with knowledge. They provide 24/7 access to an extensive collection of e-books, journals, articles, databases, multimedia content, cutting-edge information, and enhanced research capabilities.

A highly motivated and professionally qualified team of librarians is available to assist patrons in navigating the digital landscape and unlocking the wealth of knowledge it holds.

I wish you all the best, and remember, "Knowledge knows no bounds when accessed through the power of e-resources."

Prof. Narayana Prasad Padhy

<https://www.library.mnit.ac.in>

MNIT CENTRAL LIBRARY

DEAN ACADEMIC MESSAGE

Dear All

I hope this message finds you well and thriving in your academic pursuits. As the Dean of Academics, I am happy to inform you that your institute's library is spending a lot on e-resources.

I encourage you to take advantage of the digital landscape, explore diverse perspectives, and immerse yourself in the wealth of knowledge available. Embrace our institution's digital tools and platforms, and let them guide you toward academic excellence.

I wish you all the best in your studies, research, and teaching endeavors. May your utilization of e-resources unlock new frontiers of learning, expand your horizons, and contribute to your personal and intellectual growth.

Should you need any assistance or guidance in accessing and utilizing e-resources, please do not hesitate to contact our dedicated library team. They are here to help you navigate this digital landscape and maximize its benefits.

Prof. D. Boolchandani

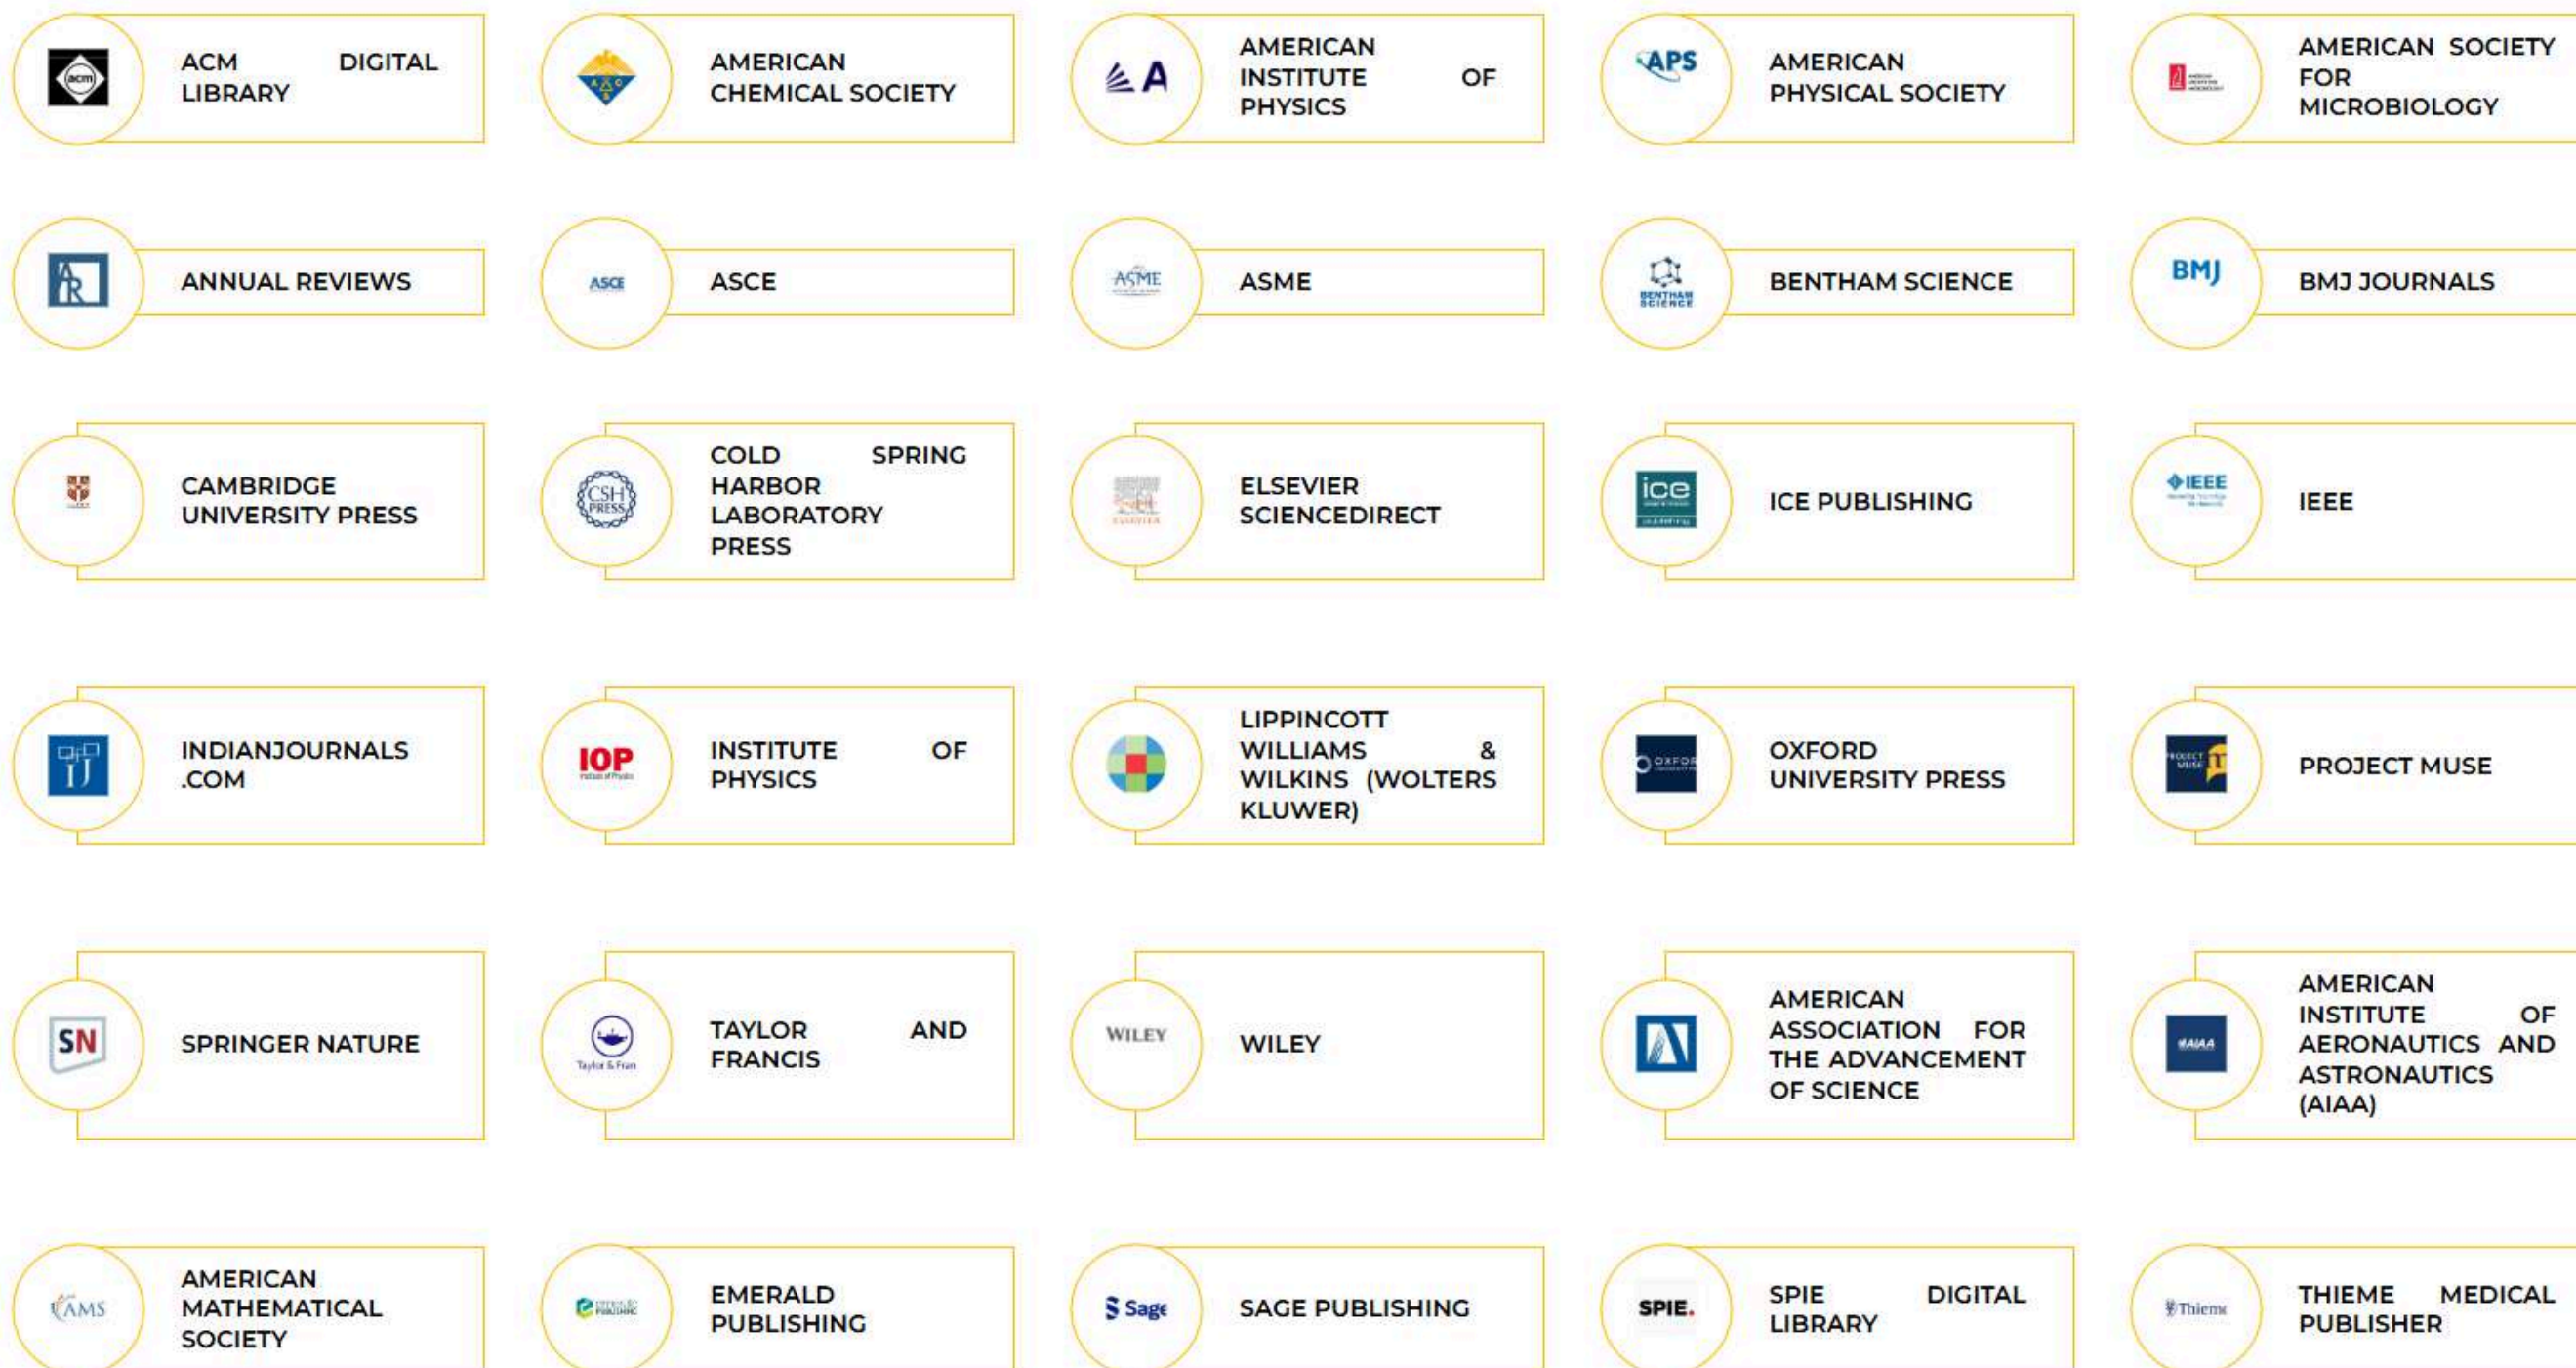

MNIT CENTRAL LIBRARY

ONOS

One Nation One Subscription

One Nation One Subscription

The One Nation One Subscription (ONOS) initiative of the Office of PSA was approved by the Union Cabinet as a Central Sector Scheme on 25th November 2024. ONOS aims to provide access to scholarly research e-journals from prominent publishers, covering the disciplines of STEM, medicine, management, social sciences, and humanities, to all individuals in the country.

ONOS is providing nearly 1.8 Crore students, faculty and researchers across the country getting access to more than 13,000 journals from 30 publishers.

The INFLIBNET Centre, an Inter-University Centre under the University Grants Commission (UGC), Ministry of Education, serves as the implementing agency for ONOS. The first phase of ONOS commenced on 01 January 2025.

Science
JOURNALS AAAS

About Science & AAAS

Science continues to publish the very best in research across the sciences, with articles that consistently rank among the most cited in the world. In the last half century alone, Science published:

- The entire human genome for the first time.
- Never-before-seen images of the Martian surface.
- The first studies tying AIDS to the human immunodeficiency virus.
- The Science family of journals is published by the American Association for the Advancement of Science (AAAS), the world's oldest and largest general science organisation. The nonprofit AAAS serves 10 million people through primary memberships and affiliations with some 262 scientific societies and academies.

ACS Publications
Most Trusted. Most Cited. Most Read.

About ACS Publications

The American Chemical Society, ACS Publications, supports researchers through journals, eBooks, scientific programs, and the news magazine Chemical & Engineering News.

As a nonprofit scholarly publisher, ACS Publications offers:

- **Trusted Peer Review** — ACS Publications maintains the highest editorial standards, with fast, informed peer review and publication decision-making by prominent editors who are active researchers in the field.
- **A Home for Every Type of Research** — With a comprehensive portfolio of more than 85+ journals, including 12 "gold" completely open access journals.
- **Broad Global Exposure** — Researchers at more than 5,000 institutions in 99 countries have access to ACS Publications. In addition, ACS publishes research from around the globe.
- **Options for Authors to Share Their Work** — In addition to the ACS Open Access initiative, ACS Articles on Request allows authors to share up to 50 free downloads of their published articles.
- **Backfiles From: 1996**

AIAA's journals

AIAA has earned an international reputation as the preeminent publisher of cutting-edge aerospace journals and books, and as the leading source of aerospace industry archives, dating back to the early 1900s. Over the past nine decades, AIAA and its predecessor organizations have published over 300 books and almost 200,000 technical articles. AIAA's current publications include eight technical journals, a magazine, three book series, national and international standards documents, a growing number of eBooks and other electronic products, and a full-service, interactive website.

Prowess for Interactive Querying
Most Comprehensive Database on Indian Companies

Home | FAQs | [in](#) | [tw](#)

Financial performance of
53,515 companies

About ProwessIQ

ProwessIQ, or Prowess for Interactive Querying, is a powerful internet-based application for querying CMIE's database on performances of listed and unlisted companies. It is simple and easy to use.

ProwessIQ provides charting facilities and well-formatted reports on performances of companies. The reports provide financial data including analytical data.

What is ProwessIQ?

ProwessIQ is an interactive querying system to find companies from the Prowess database. It consists of a client software that provides an interface to construct and submit queries over the internet to the Prowess database and receive answers to the queries from the database.

ProwessIQ therefore is all about interactive querying of the Prowess database.

All queries in ProwessIQ aim at finding companies that match a given set of search conditions. The ProwessIQ interface therefore consists of a large number of query construction facilities, display of query results in spreadsheets and the further use of the results of queries.

The Prowess database consists of the financial performance of Indian companies. The database contains information on all listed companies and a larger set of unlisted companies. The database is built from the audited Annual Reports of companies and information submitted to the Ministry of Company Affairs; and in the case of listed companies, the database also includes company dealings with stock exchanges and prices of securities listed on the major stock

SciFINDERⁿ
A CAS SOLUTION

CAS SCIFINDER IS THE WORLD'S MOST CURRENT AND RELIED ON SOURCE FOR CHEMICAL SUBSTANCE INFORMATION.

INFORM YOUR CRITICAL RESEARCH ACTIVITIES WITH AUTHORITATIVE DETAILS ON CHEMICAL SUBSTANCES AND THEIR RELATED CHEMICAL STRUCTURES, CHEMICAL NAMES, REGULATORY INFORMATION, AND PROPERTIES, INCLUDING CAS REGISTRY NUMBERS.

SCIFINDER CONTAINS A WIDE VARIETY OF CONTENT FROM JOURNAL ARTICLES TO INFORMATION ON CHEMICAL STRUCTURES, PROPERTIES, AND REACTIONS. THERE ARE THREE SEPARATE SEARCH SECTIONS IN SCIFINDER: REFERENCES, SUBSTANCES, AND REACTIONS.

- Originally launched in 1995 as a desktop software application, the web version of SciFinder was released in 2008
- In 1997 SciFinder® Scholar™ appeared as a version of SciFinder® for chemistry students and faculty.
- SciFinder-n is complementary to other databases like Reaxys, Web of Science, PubMed, Compendex and INSPEC.

01

MathSciNet Contents

The content in MathSciNet comprises:

- over 3.6 million items
- over 2.3 million direct links to original articles
- Bibliographic data from retrodigitized articles dates back to the early 1800s etc.

MathSciNet® is an electronic publication offering access to a carefully maintained and easily searchable database of reviews, abstracts and bibliographic information for much of the mathematical sciences literature. Over 125,000 new items are added each year, most of them classified according to the Mathematics Subject Classification.

02

MathSciNet Updation

over 90,000 reviews are added to the database each year

03

MathSciNet Website

<https://mathscinet.ams.org/mathscinet>

The screenshot displays the MathSciNet website interface. At the top, there is a navigation bar with links: Home, Preferences, Free Tools, About, Librarians, Reviewers, Terms of Use, and Blog. Below this is the MathSciNet logo and a 'REMOTE ACCESS' icon. The main content area features a search interface with tabs for Publications, Authors, Journals, and Citations. The 'Publications' tab is active. The search section includes 'Search Terms' with dropdown menus for Author, Title, MSC Primary, and Anywhere, each followed by a text input field and an 'and' dropdown. Below this are three sections: 'Time Frame' with radio buttons for 'Entire Database', 'Year' (with a dropdown and input field), and 'Year Range' (with two input fields); 'Publication Type' with radio buttons for 'All', 'Books', 'Journals', and 'Proceedings'; and 'Review Format' with radio buttons for 'PDF' and 'HTML'. A 'NEW!' banner for 'Author Profile Personalization' is visible on the right. The ISSN 2167-5163 is displayed in the top right corner.

Bureau of Indian Standards

<https://standards.bsb.co.in/home.aspx>

Introduction

BIS is the National Standard Body of India established under the BIS Act 2016 for the harmonious development of the activities of standardization, marking, and quality certification of goods and for matters connected therewith or incidental thereto.

Objective

- Harmonious development of the activities of standardization, marking, and quality certification of goods
- To provide thrust to standardization and quality control for growth and development of industry on one hand .

Standards Formulation

BIS formulates Indian Standards in line with the national priorities for various sectors that have been grouped under 14 Departments like Chemicals, Food and Agriculture, Civil, Electro-technical, Electronics & Information Technology, Mechanical Engineering, etc.

Activities

The activities of BIS can be broadly grouped under the following heads:

1. Standards formulation
2. International activities
3. Product Certification
4. Hallmarking
5. Laboratory services etc.
