3.	List of Print Books with volumes Department of Architecture	05-06
4.	Department of Chemical Engineering	07
5.	Department of Civil Engineering	08-11
6.	Department of Computer Science & Engineering	12
7.	Department of Electrical Engineering	13-15
8.	Department of Electronics & Communication Eng. (ECE)	16-18
9.	Department of Management Studies	19
10.	Department of Humanities and Social Sciences	20-21
11.	Department of Mathematics	22-24
12.	Department of Mechanical Engineering	25-26
13.	Department of Metallurgical and Materials Engineering	27-28
14.	Department of Physics	29-31
15.	Centre for Energy & Environment	32-33
16.	Material research centre	34
17.	N.C.D.M.M.	35
18.	Rajbhasha Samiti (Hindi Books)	36-42
19.	Presentation through Bar Chart, Pie Chart etc.	43-48

INTRODUCTION

The **Central Library of MNIT Jaipur** is one of the best and richest hybrid libraries in the country. To fulfil the academic needs of the users, the library keeps on updating and adding all types of resources to its collection. And print books are one of the very essential and important resources for any library.

Print book collections are essential to libraries for several reasons:

Access to information: Libraries serve as a repository of knowledge, and print books are a vital source of information that provides access to a diverse range of perspectives and ideas.

Preservation of cultural heritage: Print books are an important part of our cultural heritage, and libraries serve as custodians of this heritage by preserving and maintaining print book collections for future generations.

Academic research: Many academic fields still rely heavily on print books as a primary source of information. Print books offer a level of depth and detail that cannot be found in digital resources.

Reading experience: The tactile experience of reading a physical book is still valued by many readers, and the presence of print books in a library provides a welcoming and familiar environment for readers.

Digital divide: Not everyone has access to digital resources or devices, and print books offer an important alternative for those who cannot access digital resources.

In summary, print book collections are essential to the function of libraries and serve as a crucial resource for knowledge, research, preservation, and access.

In the last **FY 2022-23, a total of 893 No. of titles with 1836 No.** of copies were procured.

In the series of procurement of print books, this year (2023-24) the team was led by **Sh. Navdeep Redhu (Assistant Librarian)**. Following all the measures and transparency, a total of **661 No. of titles with 1059 No. of copies** of Indian & foreign print books were purchased, and a total amount of **Rs. 26,85,791.00/- was spent in FY 2023-24.**

Dr. Rajeev Agrawal
(Coordinator, Library)

Dr. Rishi Tiwari
(Librarian)

TABLE OF EXPENDITURE

S.No.	Department/ Branch	Ordered Titles	Vol. of Titles	Received Titles	Vol. of Titles	Amount(Rs.)
1	NCDMM	7	9	3	5	30,380.00
2	HSS	41	41	28	28	1,10,397.00
3	Electrical	59	77	59	77	3,89,624.00
