

## EPWRF India Time Series (EPWRFITS) - User Guideline

[www.epwrfits.in](http://www.epwrfits.in)

For help on following modules:

Agricultural Statistics, Price Indices, National Accounts Statistics of India, Insurance, Health Statistics, Educational Statistics, Monetary Statistics

### 1) First step is to login to your account using home page login section.

Please insert your username and password. click on the **Login** button.

For institution type, users are not required to add username and password

The screenshot displays the EPWRF India Time Series website. The header features the EPWRF logo and navigation links: Home, About Us, Subscription, Support, Contact Us, Create Shortcut, and Login Box. A red box highlights the Login Box, with a red arrow pointing to the login form. The login form contains the following elements:

- User Name: demo
- Password: masked with dots
- Forgot Password? link
- Login button
- New User link
- Register Now button

The main content area lists 14 modules:

- National Accounts Statistics of India
- Domestic Product of States of India
- Price Indices
- Agricultural Statistics
- Combined Government Finances
- Annual Survey of Industries
- Industrial Production Series
- External Sector
- Financial Markets
- Banking Statistics (BSR)
- Finances of Government of India
- Finances of State Governments in India
- Insurance
- Power Sector
- Health Statistics

The footer includes a section for Domestic Savings, Capital Formation and Consumption, with a legend for Domestic Saving by I... and a section for Chart Options.

\*Please Note: Currently we have mentioned demo user account steps.

## 2) Select Module from module list.

After login you will get the following screen. You will get module list on the left side of the screen and you can select the module by clicking on browse link. You will get module description on right side of the screen.

The screenshot displays the EPWRF India Time Series website interface. At the top, the header includes the logo "EPWRF India Time Series" and navigation links: Home, Report, Upgrade, Profile, and Logout. A user greeting "Welcome demo" is visible on the right. The main content area is titled "Modules" and is divided into two sections: "Subscribed Module" and "Other Module".

The "Subscribed Module" section contains a grid of 14 modules, each with an icon and a "Browse" link. The "Health Statistics" module is highlighted with a blue box, and a callout box with the text "Click on browse for health statistics module" points to its "Browse" link. The "Other Module" section currently shows only the "Insurance" module.

To the right of the module list, a detailed description for the "National Accounts Statistics of India" module is displayed. This description is enclosed in a red box and includes a "Description:" section with a paragraph of text and a numbered list of data sets covered by the module. A red box labeled "Description" with an upward-pointing arrow is positioned below the description text.

A red box labeled "Module List" with a leftward-pointing arrow is positioned below the "Subscribed Module" grid, indicating the area where users can select a module.

At the bottom of the page, the footer contains the text "Site Hosted & Developed By Cybersites India Technologies Pvt. Ltd." on the left and "Copyright 2009 © EPW Research Foundation (EPWRF)" on the right, along with a small upward-pointing arrow icon.

### 3) Select Sub Module from sub module list.

After clicking on browse button, you will get the following screen. You will get sub module list on the left side of the screen and you can select the sub module by clicking on browse link. Also, you will get module description section on right side of the screen.

The screenshot displays the EPWRF India Time Series web application interface. At the top, there is a navigation bar with the logo 'EPWRF India Time Series' and several menu items: Home, Report, Upgrade, Profile, Load Saved Query, Logout, and Welcome demo. A search icon and a mobile menu icon are also present. Below the navigation bar, there is a 'Back' button. The main content area is divided into two sections. On the left, under the heading 'Health Statistics', there is a list of sub-modules: Demography, Health Status Indicators, Health Education Facilities, Human Resources, Health Infrastructure, and Health Finance. A red box highlights the 'Health Infrastructure' sub-module, with an arrow pointing to the 'Browse' link. On the right, there is a detailed description of the 'Health Statistics' module, starting with a 'Description:' section. The footer contains the text 'Site Hosted & Developed By Cybersites India Technologies Pvt. Ltd.' and 'Copyright 2009 © EPW Research Foundation (EPWRF)'. A small upward-pointing arrow icon is located in the bottom right corner of the footer area.

#### 4) Select variables from tree view.

After clicking on browse button on the sub module list you will get the following screen. You will get variables in tree view on the left side of the screen and you can expand the nodes as per requirement and select the variables. The selected variable from the tree view will be displayed in tab. Select the variables from the tab. Also, select the required parameters. You will get the summary of the selected variables and parameters. You can deselect the variables or parameters by clicking summary variable list. Now Select the nodes and click on "Submit" button.

The screenshot displays the EPWRF India Time Series web application interface. At the top, there is a navigation bar with links for Home, Report, Upgrade, Profile, Load Saved Query, and Logout, along with a user greeting 'Welcome demo'. The main content area is divided into several sections:

- Health Module Tree View:** A tree view on the left side shows the hierarchy: Health Module > Demography > Population > Fertility Indicators > Level of education of women (Illiterate, Literate) > Mortality Indicators. A red box highlights this tree view.
- Demography Section:** A dropdown menu is set to 'Demography:Mortality Indicators'. Below it, a list of variables (Persons, Males, Females) is shown. A red box labeled 'Select Variables' points to this list.
- Select Parameters Section:** Four dropdown menus are present: 'All-India/State' (listing states like Andhra Pradesh, Assam), 'Age Group' (listing Peri-Natal, Post Neo-Natal, etc.), 'Area' (listing Rural, Urban, Total), and 'Year' (listing 1979-1982). A red box labeled 'Select Parameters' points to these dropdowns. Below the dropdowns are 'Select All' and 'Clear All' buttons, also highlighted with a red box.
- Summary Section:** A summary box at the bottom shows the selected variables and parameters. It includes a 'Variable List' and a data table. A red box labeled 'Summary of selected variables and parameters' points to this section.
- Buttons:** At the bottom right, there are buttons for 'SUBMIT', 'CHART', 'EXPORT', 'PRINT', and 'SAVE QUERY'.

**Variable Tree View**

- Health Module
  - Demography
    - Population
      - Fertility Indicators
        - Level of education of women
          - Illiterate
          - Literate
        - Mortality Indicators

**Demography**

### 5) Result window.

After clicking on the "Submit" button, you will get the following screen.

The screenshot displays a web application interface. At the top right, there are five buttons: SUBMIT, CHART, EXPORT, PRINT, and SAVE QUERY. Below these buttons are labels: Chart Button, Export Button, Print Button, and Save Query Button. A red box labeled "Result Window" points to a table with the following data:

Year	0-4:Mortality		1-4:Mortality		All Ages:Mortality		Peri-Natal:Mortality		Still Birth:Mortality		0-4:Mortality	
	All-India	All-India	All-India	All-India	All-India	All-India	All-India	All-India	All-India	All-India	All-India	
1979	50.6			13.8		63.1		13.3		23.9		
1980	46.1			13.5		59.8		12		22.2		
1981	45.5			13.7		58.8		11.4		20.4		
1982	43.9			13.1		57.7		9.8		20.9		
1983	41.8			13.1		57.7		9.4		21.4		
1984	46.2			13.8		58.3		11		23.2		
1985	43.3			13		52.4		10.8		20.7		
1986	40.8			12.2		51.8		10.5		20.9		
1987	39.7			12		54.4		13.6		18.2		
1988	35.7			12		53.1		13.9		18.7		

Below the table, there is a "Footnote" section with the following text:

1991 To 1992:Peri-Natal:All-India- All-India data excludes Jammu & Kashmir  
1991 To 1992:Still Birth:All-India- All-India data excludes Jammu & Kashmir  
1993 To 1995:Peri-Natal:All-India- All-India data excludes Jammu & Kashmir and Mizoram  
1993 To 1995:Still Birth:All-India- All-India data excludes Jammu & Kashmir and Mizoram

Below the footnote, there is a "Source" section with the following text:

Sample Registration System Statistical Report (various issues)

**Result Window:** It shows the data available for the selected criteria.

**Export Button:** If you want to export this data in excel format then click on this button.

**Chart Button:** If you want to see the results in chart format then click on this button.

**Print Button:** If you want to print the results then click on this button.

**Save Query Button:** If you want to save the result query with parameters then click on this button.

## 6) Buttons Action

If you clicked on the "Export" button, you will get the following screen.

Age Group: 0-4 1-4 All Ages Peri-Natal Still Birth

Enter Username and Password and click on "Save" button to save your query.

## 7) Load Saved Query

If you want to load your saved query, then click on the "Load Saved Query" menu item.

The screenshot displays the EPWRF India Time Series web application interface. The top navigation bar includes the logo "EPWRF India Time Series" and menu items: Home, Report, Upgrade, Profile, **Load Saved Query** (highlighted with a red box and an arrow pointing to a callout box labeled "Load saved query menu item"), and Logout. The user is logged in as "Welcome sinchan".

The main content area is titled "Demography" and features a "Select Variables" section with a search box and a list of variables. Below this is the "Select Parameters" section, which includes four dropdown menus: "All-India/State" (with options: All-India, Andhra Pradesh, Arunachal Pradesh, Assam), "Age Group" (with options: 0-4, 15-19, 20-24, 25-29), "Area" (with options: Rural, Urban, Total), and "Year" (with options: 1979, 1980, 1981, 1982). A "Description:" box provides details about the Demography data.

At the bottom of the interface, there are buttons for "SUBMIT", "CHART", "EXPORT", "PRINT", and "SAVE QUERY". A "Summary" section is also visible, with a "Display Output" link.

Site Hosted & Developed By Cybersites India Technologies Pvt. Ltd. Copyright 2009 © EPW Research Foundation (EPWRF)

By clicking the "Load Saved Query" menu item you will get the following pop up for loading your saved query with results.

For help on following modules:

National Accounts Statistics of India, Domestic Product of States of India, Price Indices, Combined Government Finances, Annual Survey of Industries, Industrial Production Series, Financial Markets, Banking Statistics, Finances of Government of India, Power Sector, External Sector, Finances of State Governments in India, Insurance.

1) First step is to login to your account using our home page login section.

Please insert your username and password and then click on the Log-In button.

For institution type, users are not required to add username and password

The screenshot displays the EPWRF India Time Series website. At the top, the logo 'EPWRF India Time Series' is visible on the left, and 'EPW Research Foundation A UNIT OF SARVEKSHA TRUST' is on the right. A navigation menu includes links for Home, About Us, Subscription, Support, Contact Us, Create Shortcut, and a 'Login Box' which is highlighted with a red box and a red arrow. Below the navigation, a blue banner states 'Time Series of India's economic indicators built on a strong foundation of Accuracy, Completeness and Timeliness'. The main content area is titled 'EPWRF India Time Series Structured in 14 Modules:' and lists various data series with icons: National Accounts Statistics of India, Domestic Product of States of India, Price Indices, Agricultural Statistics, Annual Survey of Industries, Industrial Production Series, External Sector, Financial Markets, Banking Statistics, Insurance, Finances of the Government of India, Finances of State Governments, Combined Government Finances, and Power Sector. On the right side, there is a 'News & Updates' section with a link to 'New Series of National Accounts - A Review - 14/02/2015' and an 'Economic & Political WEEKLY' section with an 'Editorial: Some Good News' and a 'Special Article: The Quintile Income Statistic, Money-metric Poverty, and Disqualifying Growth in India: 1983 to 2011-12'. At the bottom, there is a 'Chart Options' section with dropdown menus for 'Chart Types' (set to Line), 'Variable Name' (set to Selected Variable), 'From Year' (set to 2000-2001), and 'To Year' (set to 2014-2005). A legend below the chart options shows four categories: Domestic Saving by I., Domestic Saving by I., Domestic Saving by I., and Domestic Saving by I. An 'Activate Windows' watermark is visible in the bottom right corner.

\*Please Note: Currently we have mentioned demo user account steps.

## 2) Select variables from tree view

After login you will get the following screen. You will get variables in tree view on the left side of the screen and you can expand the nodes as per requirement and select the variables. Also, you will get period range section on right side of the screen (in demo version, you will not be able to change the date selection). Now Select the nodes and click on "Submit" button.

The screenshot displays the EPW Research Foundation (A UNIT OF SAMEEKSHA TRUST) India Time Series interface. The page is divided into two main sections: a Variables Tree View on the left and a Period Range selection section on the right.

**Variables Tree View:** This section shows a hierarchical tree of financial market variables. The root node is "Financial Markets", which is expanded to show "Fixed Income Market". Under "Fixed Income Market", there are two main categories: "G-Sec Market: Primary issues" and "G-Sec Market: Secondary". The "G-Sec Market: Primary issues" node is further expanded to show "Central Government" and "State Government". Under "State Government", four variables are selected and checked: "Borrowing Method", "Amount (Rs. Crore)", "Indicative YTM/coupon rate (in Per cent)", and "Name of the State". A blue box highlights these four selected variables, and a blue callout box labeled "Select Nodes" points to this selection. The "G-Sec Market: Secondary" node is also expanded to show various market instruments like "RBI's Repo/Reverse Repo Auction Under LAF", "RBI Open Market Operations", "Call Market", etc.

**Period Range Selection:** This section allows users to select data type and date range. The "Select Data Type" dropdown is set to "Data Availability". Below it, radio buttons for "Daily", "Weekly", "Fortnightly", and "Monthly" are visible, with "Daily" selected. The "Select Date Period" dropdown is also set to "Data Availability link". The "From (DD/MM/YYYY)" field is set to "01/09/2009" and the "To (DD/MM/YYYY)" field is set to "30/03/2010". A green message states "Date Range selection is not activated in Demo Version". A "Submit" button is located at the bottom of this section. A red callout box labeled "Period Range" points to this section.

The overall interface is titled "EPW Research Foundation (A UNIT OF SAMEEKSHA TRUST)" and "INDIA TIME SERIES". A "Logout" button is visible in the top right corner.

This tree view consists data of rate, yield, turnover of central and state government securities, treasury bills, yield spread and term structure, money market instruments (repo, call market, commercial papers, and certificate of deposits) and forex market rates and turnover sections.

\*Please Note: You can select up to 25 variables.

Data Availability Link: There is one more link in "Period Range" section, written as a "Data Availability Link". After clicking this link, following window will appear. This window will show the list of Time Series data available in this website.

The screenshot displays the EPW Research Foundation website interface. At the top, the logo for EPW Research Foundation (A UNIT OF SAMEEKSHA TRUST) and INDIA TIME SERIES are visible, along with a Logout button. The main content area is titled "Financial Markets" and includes a "Select Data Type: Data Availability" dropdown menu. Below this, a table lists various market categories and their corresponding date ranges for different frequencies (Daily, Weekly, Fortnightly, Monthly). A red box highlights the table content, and a callout box labeled "List of Data" points to it. The table shows data availability for Fixed Income Market, G-Sec Market (Primary and Secondary), and Treasury Bills, with specific date ranges provided for each category and frequency.

Category Name	Daily Date Range	Weekly Date Range	Fortnightly Date Range	Monthly Date Range
Fixed Income Market				
G-Sec Market: Primary issues				
Central Government	25 Apr 1995 To 22 Oct 2010			
State Government	03 Jan 2008 To 16 Dec 2010			
Treasury Bills

Place your mouse cursor over the tree view node to view the data available for that section.

The screenshot displays the EPW Research Foundation (A UNIT OF SAMEKSHA TRUST) India Time Series website. The main navigation bar includes the logo and a 'Logout' button. The left sidebar shows a tree view of 'Financial Markets' with categories like 'Fixed Income Market', 'G-Sec Market: Primary issues', 'G-Sec Market: Secondary', and 'Central Government Dated Securities'. The 'Security Wise' sub-category is expanded, showing a list of securities with their respective yields. A red box highlights the 'Security Wise' heading, and a tooltip is visible over it, listing data availability options: 'Daily: From 27/06/2003 To 31/12/2010', 'Weekly: From 23/06/2003 To 31/12/2010', and 'Monthly: From 27/06/2003 To 31/12/2010'. A callout box points to the 'Security Wise' heading with the text 'Tooltip of the Node Heading'. The right sidebar contains a 'Select Data Type: Data Availability' section with radio buttons for 'Daily', 'Weekly', 'Fortnightly', and 'Monthly'. Below this is a 'Select Date Period' section with input fields for 'From (DD/MM/YYYY)' (01/09/2009) and 'To (DD/MM/YYYY)' (30/03/2010). A green message states 'Date Range selection is not activated in Demo Version' and a 'Submit' button is present. The bottom right section is titled 'Government Securities Market' and contains a 'Description' box with text: 'A Government security is a tradable instrument issued by the Central Government or State Governments. Such securities are short-term (Treasury Bills, with original maturities of less than one year) or long-term (Government bonds or dated securities with original maturity of one year or more).'.

- Government Securities Market**
  - Description:**

A Government security is a tradable instrument issued by the Central Government or State Governments. Such securities are short-term (Treasury Bills, with original maturities of less than one year) or long-term (Government bonds or dated securities with original maturity of one year or more).

### 3) Result window

After clicking on the "Submit" button, you will get the following screen.

The screenshot displays the EPW Research Foundation website interface. At the top, there is a navigation bar with the logo "EPW Research Foundation (A UNIT OF SA...)" and "INDIA TIME SER...". A "Logout" link is visible in the top right corner. Below the navigation bar, there are four buttons: "Back", "Export", "Chart", and "Print". A red box highlights a table of data with columns: "DATE", "Day", "Borrowing End Date", "Borrowing Method", "Amount", "Interest", and "Name". The table contains 10 rows of data. Below the table, there is a pagination control showing "Records per page: 10" and "Records: 1 - 10 of 113 - Pages: 1". A large red arrow points from the "Result Window" label at the bottom to the table area.

DATE	Day	Borrowing End Date	Borrowing Method	Amount	Interest	Name
02-Sep-2009	Wednesday	08-Sep-2009	Auction	597.29	8.37	Jharkh
02-Sep-2009	Wednesday	08-Sep-2009	Auction	725.55	8.25	Karnat
02-Sep-2009	Wednesday	08-Sep-2009	Auction	1549	8.31	Madhy
02-Sep-2009	Wednesday	08-Sep-2009	Auction	1225.75	8.3	Mahar
02-Sep-2009	Wednesday	08-Sep-2009	Auction	496	8.25	Rajast
02-Sep-2009	Wednesday	08-Sep-2009	Auction	1459.85	8.28	Tamil
02-Sep-2009	Wednesday	08-Sep-2009	Auction	1481.9	8.32	Uttar P
02-Sep-2009	Wednesday	08-Sep-2009	Auction	1472.6	8.31	West B
16-Sep-2009	Wednesday	22-Sep-2009	Auction	1389.75	8.1	Andhra
16-Sep-2009	Wednesday	22-Sep-2009	Auction	1186	8.15	Haryar

Result Window: It shows the data available for the selected criteria.

Back Button: If you want to change the search criteria then click on this button.

Export Button: If you want to export this data in excel format then click on this button.

Chart Button: If you want to see the results in chart format then click on this button.

Print Button: If you want to print the results then click on this button.

#### 4) Buttons Action

If you clicked on the "Export" button, you will get the following screen.

The screenshot displays the EPW Research Foundation website interface. At the top, the logo for EPW Research Foundation (A UNIT OF SAMEEKSHA TRUST) and INDIA TIME SERIES are visible, along with a Logout button. Below the header, there are navigation buttons: Back, Export, Chart, and Print. The main content area features a table titled "State Govt. Sec. - Primary Issues". The table has columns for DATE, Day, Borrowing End Date, Borrowing Method, Amount (Rs. Crore), Indicative YTM/coupon rate, and Name of the state. A "File Download" dialog box is overlaid on the table, asking "Do you want to open or save this file?". The dialog box provides details: Name: Report.xls, Type: Microsoft Office Excel 97-2003 Worksheet, 15.6KB, and From: www.epwfits.in. It includes "Open", "Save", and "Cancel" buttons. At the bottom of the dialog box, there is a warning icon and text: "While files from the Internet can be useful, some files can potentially ham your computer. If you do not trust the source, do not open or save this file. [What's the risk?](#)". The table data is as follows:

DATE	Day	Borrowing End Date	Borrowing Method	Amount (Rs. Crore)	Indicative YTM/coupon rate	Name of
02-Sep-2009	Wednesday	08-Sep-2009	Auction	597.29	8.37	Jharkha
02-Sep-2009	Wednesday	08-Sep-2009	Auction	725.55	8.25	Karnata
02-Sep-2009	Wednesday	08-Sep-2009			8.31	Madhya
02-Sep-2009	Wednesday	08-Sep-2009			8.3	Maharas
02-Sep-2009	Wednesday	08-Sep-2009			8.25	Rajasthi

If you had clicked on the "Chart" button, you will get following screen.  
First you will need to select the variables for generating a chart and then click on "Submit" button.

The screenshot displays the EPW Research Foundation India Time Series interface. A modal dialog box titled "Select Variables" is open, allowing users to choose variables for chart generation. The dialog box contains two checkboxes: "Amount (Rs. Crore)" and "Indicative YTM/coupon rate (in Per cent)". A red arrow points to the "Select Variables" title. The background shows a table of data with columns for DATE, Day, and Indicative YTM/coupon rate. Buttons for Export, Chart, and Print are visible at the top right.

DATE	Day	Indicative YTM/coupon rate	Name of
02-Sep-2009	Wednesda	8.37	Jharkha
02-Sep-2009	Wednesda	8.25	Karnata
02-Sep-2009	Wednesda	8.31	Madhya
02-Sep-2009	Wednesda	8.3	Maharas
02-Sep-2009	Wednesda	8.25	Rajasthu
02-Sep-2009	Wednesda	8.28	Tamil Ni
02-Sep-2009	Wednesda	8.32	Uttar Pri
02-Sep-2009	Wednesda	8.31	West Be
16-Sep-2009	Wednesda	8.1	Andhra I
16-Sep-2009	Wednesda	8.15	Haryana

\*Please Note: You can select only 5 variables at a time.

After clicking on the "Submit" button, you will get the following screen. Now you can change the chart type using "Chart Type" section.

### 5) Logout option

If you want to logout from the website, then click on the "Logout" button.

The screenshot displays the EPW Research Foundation website interface. At the top, the logo for EPW Research Foundation (A UNIT OF SAMEEKSHA TRUST) and INDIA TIME SERIES are visible. A red box highlights the "Logout" button in the top right corner, with a red arrow pointing to it from the text "Logout Button". Below the header, there are navigation buttons for "Back", "Export", "Chart", and "Print". The main content area shows a table titled "State Govt. Sec. - Primary Issues" with columns for DATE, Day, Borrowing End Date, Borrowing Method, Amount (Rs. Crore), Indicative YTM/coupon rat, and Name t. The table contains 11 rows of data. At the bottom of the table, there is a pagination control showing "Records per page: 10" and "Records: 1 - 10 of 113 - Pages: 113 - 10 - 1".

DATE	Day	Borrowing End Date	Borrowing Method	Amount (Rs. Crore)	Indicative YTM/coupon rat	Name t
02-Sep-2009	Wednesday	08-Sep-2009	Auction	597.29	8.37	Jharkha
02-Sep-2009	Wednesday	08-Sep-2009	Auction	725.55	8.25	Karnata
